Thank you to all of you who participated in Christmas Jumper Day. We raised £20.87 for Save the Children.

Staff News

Sadly, this week we say goodbye to Kirsty from our baby room. She has enjoyed her time with us but would like to take time off to relax and spend time with her family before starting a new adventure next year. We wish her all the best for the future. Amber from our toddler room will be moving to the baby room as of Wednesday the

2nd January 2019. Amber has shown a keen interest in working with babies and has had experience recently working in our Babies' room enabling her to extend her childcare knowledge and practice. We know Amber will fulfil her new role with confidence and enthusiasm

We warmly welcome the return of Jess, who will be starting in our toddler room on Wednesday 2nd January 2019

Employee of the Month

Well done to Fenella for achieving 'Employee of the month'. Fenella works in our Preschool, and has shared her amazing creative ideas, which the children have thoroughly enjoyed.
